Let's face it, the universe is messy. It self-organizes and evolves. It creates diversity, not uniformity. That's what makes the world interesting, and that's what makes it

Let's face it, the universe is messy. It self-organizes

Let Us Face the Future: A Declaration of Labour Policy for the Consideration of the Nation ... Let it not be forgotten that in the years leading up to the war the Tories were so scared of Russia that they missed the chance to establish a partnership which might well have prevented the war. We must join with France and China and all others who have contributed to the common victory in forming ...
