Book Science, Technology, and Society PDF Free – Books Free

Science, Technology and Society: Needs, Challenges and Limitations focuses on the role of science and technology in promoting development as well as its limitation in shaping the society. The text outlines the contributions that this field has provided in health, industries, agriculture, transportation, and communication. The book puts emphasis on the role of technologists and scientists in ...

Science, Technology and Society | ScienceDirect

The science-based technology that makes for the complexity, controversy, and uncertainty of life sows the seeds of understanding in Science, Technology, and Society. STS, as it is known, encompasses a hybrid area of scholarship now nearly three decades old. As D. R. Sarewitz, a former geologist now congressional staffer and an author, put it After all, the important and often controversial ...
